NOTES:

1. Rates are inclusive of 12% VAT.
2. For own packaging shipments, chargeable weight on shipment is either the actual weight or the volume weight, whichever is higher. To compute for the volume weight, use the following formula: length(cm) x width(cm) x height(cm)/3500. (Example: 12cm x 12cm x 10 cm/3500 = 0.42 kg).
3. Includes FREE Insurance of up to Php2,000 of the declared value. Add-on of 1% in excess of included free insurance (round up to the nearest hundred). Maximum liability is up to Php10,000 only.
4. Manual waybill surcharge: Php1.00 per waybill.
5. Rates will be based on your shipment's destination regardless of your pick-up location
6. UNLIWEIGHT pouches are subject to fair use. For the security and safety of our clients' shipments, Xend reserves the right to refuse acceptance of parcels that show visible abuse and misuse due to over-stuffing causing undue stress on the pouches which may result in but not limited to tears, leaks, damage and loss of the contents. We also reserve the right to refuse acceptance of parcels if deemed that misuse and abuse of UNLIWEIGHT pouches may result in putting other clients' parcels at risk.
